

The Science of Prevention

2009 Conference of Affiliates

2009 CONFERENCE OF AFFILIATES

Hyatt Regency Crystal City

Arlington, VA

October 21-24, 2009

Dear Colleague:

NCADD is turning 65 this year and we hope you will join us in celebrating the milestone during the 2009 NCADD Conference of Affiliates to be held in Arlington, VA, a close suburb of Washington, DC. This year's theme is "The Science of Prevention." There will be an NCADD Orientation Tuesday evening for new executive directors, first-time attendees, or anyone who would like to reacquaint themselves with NCADD. To help us plan, please let us know if you'll attend.

As we did two years ago, we are planning a Congressional Breakfast to which all participants are strongly encouraged to invite their Senators and Representatives. There will be a brief educational presentation at the breakfast after which you'll have time to visit your legislators.

The afternoon will include the keynote address, a session on "How to do Prevention without Stigmatizing People" and a presentation by Al-Anon on its Literature Project. That evening, PACE, the Professional Association of Council Executives, will hold its Business Meeting along with an Ice Cream Reception.

Thursday will feature Exhibits, Round Robin, the 2009 Prevention & Education Award-winning programs, and sessions on "How to Have an Impact During Health Care Reform," and "Strategies for Changing Revenue Streams."

The Delegate Assembly, which is the major opportunity for Affiliates to participate in the affairs of the organization, will meet on Friday afternoon, October 23. NCADD Board Committees will meet Friday and the full Board on Saturday, October 24. All Conference registrants are welcome to attend.

You may register at www.ncadd.org or by mail or fax; be sure to make your hotel reservations today. We look forward to seeing you in Arlington.
