- The Council of Southeast Pennsylvania and PRO-ACT: Winner--Rally and Walk/Run Events

The Federal Substance Abuse and Mental Health Services Administration (SAMHSA) has named PRO-ACT's Recovery Walks! as a winner of the administration's Recovery Month

Annual Event Award Program, recognizing *Pamela S. Hyde, Administrator at SAMHSA and Noni West at The Council of Southeast Pennsylvania and PRO-ACT* the event as exceeding expectations and acknowledging PRO-ACT's contributions to expand the breadth and reach of National Recovery Month. PRO-ACT is a program of The Council of Southeast Pennsylvania.

PRO-ACT's Recovery Walks! won in the 2011 Rally and Walk/Run Events category. Last year, the event drew 15,000 people to Penn's Landing—it was the largest Walk ever assembled in support of addiction recovery. The purpose of the event is to raise awareness that drug and alcohol addiction is a public concern, to provide hope that people do recover and to honor those who have not survived the disease. The event is a fundraiser to support PRO-ACT's prevention, advocacy and recovery support services.

Noni West from PRO-ACT accepted the award at the 2012 Recovery Month luncheon on Thursday, September 6, in Washington, DC.
